Dear Parents and Seniors,

We appreciate the opportunity to photograph your senior. Below, you will find your unique online code to view your gallery of proofs. Your gallery will be available for viewing in **7-10 business days** after your sitting. Our website will allow you to select your yearbook pose, order packages, collages, prints, unique gift items and graduation announcements. **Please select your yearbook pose as soon as possible.** As yearbook deadlines vary by school, in order to meet deadlines, our staff will select a pose for you, if you do not.

Your portraits will be available to you for viewing and ordering until graduation.

We suggest selecting a yearbook pose within 2 weeks of viewing your proofs.

You **DO NOT** have to order portraits to select your yearbook pose

We recommend the following steps to navigate the website for all your portrait needs.

Visit www.schoolcraftstudios.com, click "**click here to order on line**"

1. Enter your unique online code from the sticker above and your email address. The only way to access these portraits is with your code. **Carefully** read the yearbook selection information for your school on the next screen, as some schools have yearbook restrictions.
2. To select your yearbook pose, click "Yearbook Selection" on lower left side. Simply click on your choice. The selected proof will have a green frame and checkmark in the upper left side of your selection. Click "Save" to complete your selection.
3. If you would like to order your portraits, click "Images" to return to your gallery.
4. To purchase photo packages and products, click on "Buy Now."
